

YIXUE EVENT PROGRAM 2018

as of: 06.01.2018

THE NEW YIXUE SEMINAR STRUCTURE 2018

Dear YiXue Friends and Interested,

from 2018 the YiXue seminars will be restructured. Many intensive seminars are still offered at the YiXue Education Center, where both beginners and advanced learners can participate.

WHAT'S NEW?

The criteria for participating in the Higher YiXue Cultivation Seminars have changed. Due to the high energy field that Grandmaster Wei Ling Yi sets up during these seminars, the offer is aimed exclusively at advanced YiXue cultivators, who already have prior experience in a high Qi field and with this particular teaching form and also in the intense YiQi vibrational field can easily go inside. Only in this way can it be ensured that the participants receive the high subtle information and energy transmissions from Grandmaster Wei Ling Yi and the cosmos and can achieve good effects for the body, heart and soul.

Therefore, from 2018 there will be cultivation seminars in two stages:

HIGHER CULTIVATION SEMINARIES LEVEL I FOR ADVANCED

- Level I cultivation seminars are offered to advanced cultivators with the following prerequisites:
- Sleeping on the Lotus - only for initiated students (Di Zi)
- Mi Dai Fu Ti - Prerequisite is participation in several regional YiXue seminars of lotus houses and participation in Mi Dai Basic Seminars in Nossen
- Bi Gu Voffasten - Prerequisite is participation in semifinals seminars

HIGHER CULTIVATION SEMINARIES LEVEL II FOR ADVANCED

There will be a limited offer from 2018 for the following higher Level II cultivation seminars:

- Meditation Retreat Sitting on the Lotus (7 days)

- Cai Lian Qi
- Teaching without words
- Prenatal dance

For the cultivation seminars Level II we ask you for a timely registration. Within 10 days after registration you will receive a notification if participation is possible.
